
EUROGALENUS

EXECUTIVE SEARCH CONSULTANTS

Our firm

Founded in the 90's, EuroGalenus is a Spanish Consulting firm focused on the search & assessment of senior executives: board, CEO's, Department Heads or Business Units, etc. Our strong specialization serves also scientists and experts.

We have accumulated notable experience in cross-border projects in sectors related to Life Sciences & Healthcare.

EuroGalenus is the Spanish partner of ECI Group, a global network recognized in different consulting areas such as executive search and leadership development.

Our values and ethics

EuroGalenus follows the Ethical Code and Good Professional Practice Guidelines by the Association of Executive Search Consultants ([AESC](#)). Only 18 firms have been accepted to the AESC in Spain and we have also served in the European Council and Global Board for years.

Our firm maintains a size and structure that allows direct involvement of the partners in every search work.

Another characteristic of our work is a pan-European scope, identifying and evaluating candidates from other geographies (expatriates).

We adapt to different needs, and we are proud to keep faithful, satisfied customers for more than 20 years.

Our values and ethics

As an AESC member, we are committed to promote good practices and to raise standards.

Diversity and Inclusion has proven to improve performance of companies of all types and sizes. We are proud to support diverse talent and inclusive cultures from our profession.

AESC Members operate at the highest standard in the executive search and leadership consulting profession worldwide. We believe in the power of diverse talent and inclusive cultures and proudly stand together with many AESC member firms in our pledge.

OUR PLEDGE

We share a commitment to combat racism, prejudice, and discrimination within our own organizations, with candidates and the clients we serve, and in our communities.

We pledge to use our collective voices and actions to help create a world that is inclusive, diverse, equitable and accessible for all.
